2. Work with people or an organisation from a community. Take the chance to find an issue that your Pack could help with. It should be something that helps people and also helps you grow as a person. Plan and carry out the project with your Pack and others in the community. Then share what you learned from the activity with other people. Talk about how it helped other people and what you will do with the skills and experiences you have gained.

With the rest of my pack we-
